Name: Shri
Email: shri.devops@gmail.com
Phone: 9876543225

Role Applied: DevOps Engineer

🎓 Education

- B.Tech in Information Technology
- Graduated: 2025

💻 Skills

- Docker
- Kubernetes
- AWS (EC2, S3)
- CI/CD (GitHub Actions, Jenkins)
- Linux
- Python (Scripting)

💼 Experience

DevOps Intern

- Built CI/CD pipelines using GitHub Actions
- Automated deployments using Docker containers
- Managed AWS infrastructure (EC2, S3)
- Monitored system performance and logs

📌 Projects

Automated Deployment System

- Created CI/CD pipeline for web applications
- Used Docker for containerization
- Deployed apps on AWS

Kubernetes Cluster Setup

- Deployed and managed applications using Kubernetes
- Implemented scaling and load balancing

🎯 **Strengths**

- Strong understanding of cloud and deployment
- Automation and scripting skills
- Problem-solving in system reliability
